

Invitation to IBC 2009

Just a few weeks to go till the whole branche presents itself at IBC in Amsterdam. P+S TECHNIK is going to be there as well, of course. We will show the full range of products including surprising new products for professional filmmaking!

Solutions for a complete Workflow

Explore the whole range of products and solutions for a completely digital, file-based workflow for professional filmmaking: From Digital Capturing products like the WEISSCAM HS-2 and the SI-2K Digital Cinema Camera, 16Digital and 35Digital lens sets especially designed for digital cameras to SKATER Mini camera dollies and a wide range of 3D Stereo Rigs. Besides all this we'll demonstrate cut and editing possibilities with the OneBox Solution and a low-budget workflow for SI-2K with Final Cut Pro, as well as universal film scanning with the SteadyFrame Universal Format Scanner. The P+S TECHNIK team will be ready to answer your questions at booth no. 11. E28 (capturing products) and at booth no. 7.H01 (post production products).

Product Presentations

Everyday you can listen to special presentation on our hottest products at stand 11.E28 as well as stand 7.H01. The detailed programme shedule can be found on the next page.

SteadyFrame Special Offer

Ago ahead and test the quality of the SteadyFrame Scanner with your own film material: Bring along to IBC your own film roll and we will do a scan test directly onsite on our stand 7.H01. Exotic film formats are ausdrücklich erwünscht! To reserve yourself a scanning slot please send an email to news@pstechnik.de

IBC Screening

Fri Sept. 11th - 17-18h - Digital Capturing

DoPs present their newest productions using the WEISSCAM HS-2.

Sat Sept. 12th - 17-18h - Developing the 3rd Dimension

International stereographers share their experiences and philosophies with you in the 'show and tell' environment of the IBC Big Screen Cinema during this session.

Free Tickets for IBC

Save your money and get a free entrance ticket for IBC 2009 incl. an 5-day ticket for Amsterdam Öffis during IBC. Your ticket is only two clicks away: Just login on www.ibc.org/registration, click on Register Online and then on Customer Ticket, enter the code 13672 and there you are !

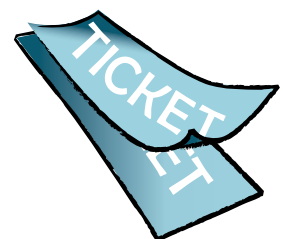

We are looking forward to see you at IBC and welcome you on our booth !

With best regards,

Your P+S TECHNIK Team

P+S TECHNIK @ IBC Big Screen Digital Cinema

Once again P+S TECHNIK invites to two screenings at the IBC Digital Cinema. Please enjoy impressive footage from current productions with P+S Technik products, presented together with the cameramen.
