Support Systems from other Manufacturers

Support System (light weight)

The 15 mm support bridge and rods are included in the delivery. A holder for the 15 mm rods is required on the camera side. This holder is offered by both Chrosziel and ARRI. Chrosziel and ARRI parts are possible to purchase from P+S TECHNIK, please contact us for best price.

Support System (heavy duty 15 mm & 19 mm)

For heavy duty support you need the common P+S TECHNIK support and alternatively Chrosziel or ARRI accessories. Chrosziel and ARRI parts are possible to purchase from P+S TECHNIK, please contact us for best price.
